

Wisconsin Builders Foundation Scholarship Fund

The Purpose of the Grant

The Wisconsin Builders Foundation will assist students who are residents of and enrolled in or plan to attend a Wisconsin or Minnesota institution of higher learning in the building trades. Building trades is defined as the skilled and semiskilled crafts employed in building construction. Preference will be given to applicants concentrating in residential housing construction.

About the Foundation

The Wisconsin Builders Foundation was established as a 501(c)3 charitable organization in 1999. The Foundation engages in providing education and professional training opportunities to anyone in residential construction. In addition, the Foundation creates educational opportunities and financial support to students engaged in or entering the building trades. It is the intent of the Foundation to provide a constant supply of well qualified individuals pursuing homebuilding as a career and thus securing home ownership for future generations.

Scholarship Amounts

Scholarships will be awarded in amounts up to \$1,000 and on a yearly basis not to exceed 5% of the Wisconsin Builders Foundation Safety and Education Fund balance at the first of each year. If, in any year, the available scholarship funds are insufficient to meet the criteria stated above, the available funds will be prorated among applicants. Any funds not awarded will remain in the Foundation's Safety and Education Fund. The Wisconsin Builders Foundation may exercise its responsibility to suspend an award in any given year to preserve the principal of the fund.

WHAT FACTORS INFLUENCED YOU TO PURSUE A CAREER IN THE BUILDING TRADES?

Selection Process:

The Wisconsin Builders Foundation Trustees or a sub-committee appointed by the Foundation Trustees, will select the scholarship winners. The scholarship award is meant to recognize and support future leaders in the building industry. Among the traits of leadership are commitment, confidence and creativity. A successful leader in the building trades should have an entrepreneurial spirit and possess the ability to delegate, inspire and communicate effectively. Applicants are encouraged to address their leadership qualities in their application packet. Incomplete applications will not be considered. Winners will be notified by the Wisconsin Builders Foundation. Awards will be presented at the WBA summer meeting each year.

Deadline

Scholarship applications will be accepted from February 1st through May 31st. Award disbursements will be made to the recipient and his/her institute of higher education upon verification of acceptance in a building trades program.

Award Acceptance

It is the intent of the WB Foundation to acknowledge scholarship recipients at the Wisconsin Builders Association summer Member Day meeting. Recipients' name, course of study and institute of higher education will be announced. Recipients are invited to the meeting to receive their check. For those unable to attend, checks will be mailed.

Additional Information

Each scholarship recipient is required to sign an acknowledgement that he/she will fill out a follow up questionnaire sponsored by the Wisconsin Builders Foundation within a year of acceptance which may be used in promotional material. All promotional material must acknowledge the Wisconsin Builders Foundation as the benefactor of the scholarship.
